

## ACKNOWLEDGEMENTS

Thanks are due to the European Union for funding the conference under contract number ICA4-CT-2002-50028.

Thanks are also due to the participants for the hard work that they put in during the conference and for submitting their papers for publication in such good time.

The conference could not have taken place without the excellent support of Helen de Beer and Janice Dewar, the local organisers in South Africa, who showed great patience with the UK based coordinator and did such an outstanding job.
